Filled With Love

Valentine's Party

The Activity Department did an outstanding job with the Valentine's Party for residents and families.

The music was great with love songs being sung from several eras of music. Families had fun with the photo booth to capture memories and, of course, the refreshments were amazing as always!

Learn About Loved Ones

March 20 is World Storytelling Day. Gather family and friends and share a story from your life, whether small or momentous. Then, give each of them the spotlight to do the same while you listen.

Wearing of the Green
If you wear green this month to celebrate St. Patrick's Day, you may find yourself more relaxed. Green symbolizes nature, and many people find the color has a calming effect.
