Best Wishes, Michael!

Another great success story! Michael Fuller was able to return home following his short-term rehab program. Michael chose Stearns following a hospitalization which left him needing to regain his strength and endurance to return home safely. Mike said, "I'm extremely grateful to everyone here at Stearns and especially to one of my therapists, John. I would recommend Stearns to anyone. I've been very pleased." We wish you all the best, Mike, and will be stopping by to check on you soon!

Laugh for Health

Go ahead and engage in a funny, friendly prank on April Fools' Day. A good belly laugh has been proven to elevate mood, reduce pain and boost immunity.

This group of ladies enjoyed a "girls' night out" at the KC Hall to play bingo.

Going Above & Beyond Is What We Do!

Director of Admissions, Nicolette Turcott, received a beautiful floral arrangement from the family of Maria Hood. Maria has been at Stearns for awhile but her family had been out of the country. Nicolette downloaded an app on her phone and periodically assisted her with talking to her family so they could stay connected. Visits can now be in person but the family wanted to convey their appreciation with this lovely bouquet.

Enjoying a Warm Day in February

What do you do when February gives you a 75-80 degree day? We took advantage of it and got outside for a BBQ and dancing! Our Activity Director was at the grill, the music played, residents and staff danced and it was a FABULOUS day!

Our dance group shaking a leg!

We even swayed to the music in our wheelchairs! All you need is the beat!

Celebrating St. Patrick's Day

We love a good party and photo booth! Our Activity Dept. outdid themselves again! Here's a sampling of the many leprechauns from that day.

Thank You, OTs!

April is Occupational Therapy Month, a chance to recognize the role of these important health care workers. Occupational therapists make daily life easier for everyone in their care, and our ongoing gratitude goes out to them!

We appreciate you, Phyllis Ernst OTR and Miriam Hoffman OTR
