Ready to Rock Baseball

Opening day for the STL Cardinals was April 4th against the Miami Marlins and proved to be a good day for them and us! With a win of 8-5, we partied and cheered them on here at Stearns.

We're looking forward to a great season! Thanks, Dontelisia, for a great time and all the goodies to munch on!

Visited by the Easter Bunny

It was a great Easter social with good friends, family and delicious treats. A visit from the Easter Bunny was a highlight, especially when he stayed to pose for pictures! To view more pictures, go to our Facebook page.

Motivation From Mom

"A mother's love is the fuel that enables a normal human being to do the impossible."
—Marion C. Garretty

Celebrating Barbie

What little girl, past or present, doesn't like Barbie dolls?! This global phenomenon debuted at the American Toy Fair in 1959. We celebrated National Barbie Day on March 9th and our ladies became Barbie Girls in a Barbie World!

Recognizing First Responders

May is filled with annual observances that pay tribute to the dedication of first responders. Look for ways to recognize National Police Week, International Firefighters Day, National Emergency Medical Services Week and Nurses Week, all happening this month.

Happy Birthday

Happy Birthday to all of our residents celebrating a birthday this month! And remember: You're not getting older—you're getting better!

Remember and Appreciate

Memorial Day is a time for remembrance and appreciation. We remember those who have gone before us and appreciate the friends and family who surround us as a new season is set to begin.

National Nursing Home Week

This special week celebrates the essential role that skilled nursing care centers play in providing safe and effective 24-hour nursing care to millions of individuals each year.

This week we hope you will join us in a variety of special activities for residents and staff and celebrate the pivotal role that each plays in the lives of the other.

Check out our calendar for the events, date and times of each.

National Nurses Week

This special week is celebrated annually from May 6-12, with May 6 being National Nurses Day and May 12 being Florence Nightingale's birthday.

We want to say thank you and recognize our group of nurses for their service & dedication to caring for others and improving the health of our residents.

They are the core of our home and we are blessed to have each of them on our team!

Happy Mother's Day!

"A mother's love for her child is like nothing else in the world." —Agatha Christie

Mother's Day is set aside to honor and celebrate mothers, grandmothers and mothers-to-be. Shower the special women in your life with love, hugs and maybe a card or a beautiful bouquet! From all of us, we wish all the moms who call our community home a very happy Mother's Day!
